- **Firewood Rule:**

Firewood being brought onto a state property must meet the following criteria:

- Be from within 10 miles (<https://dnr.wi.gov/topic/Invasives/FirewoodMaps.html>) of the state property in question (you will need proof of origin) or;
- Be certified by DATCP as their certification guarantees that firewood has been properly treated to kill pests and disease-carrying organisms.

You can purchase firewood in or near almost every Wisconsin state park or forest property.
